**Support for  
Datacard 9000/7000  
Beyond "End of Life"**

**A world of ideas and products  
to meet your company's  
plastic card embossing and  
thermal printing requirements  
for years to come.**

**Your headquarters for:**

- ▶ **Equipment**
- ▶ **Parts**
- ▶ **Service**
- ▶ **Supplies**
- ▶ **Personalization**

**Datacard 9000**

Years of experience has made **PES** one of the leading remarketers of used plastic card embossing and thermal printing equipment in the world.

**Datacard UG800**

Support of your equipment purchase from **PES** is an ongoing commitment from us. Our knowledgeable technical support staff stands ready to assist you with the proper operation of your equipment.

**Datacard MX6000**

**PES** is committed to providing the finest services and products available. Check us out! You'll find us to be reliable, efficient and capable.

## We **BUY & SELL** Used Embossing & Thermal Printing Equipment For Plastic Cards

### PES **Buys** Equipment:

If you have equipment you no longer need or are wanting to upgrade your present embossing or thermal printing equipment, **Pittsburgh Embossing Services** is interested. Let us make you an offer. In most cases our purchase offers are significantly higher than manufacturer's trade-in values.

### PES **Sells** Equipment:

Have you considered purchasing used equipment instead of new? Your purchase costs for used equipment are substantially below that of new equipment. Savings of 50% - 70% are common. Please contact us directly or visit our Web-site at: [www.pittsburghembossing.com](http://www.pittsburghembossing.com) for more information.

**Ga-Vehren Attacher**

New markets & customers are always welcome at **Pittsburgh Embossing Services**.

**Datacard UltraForm**

A wide variety of used equipment is available including embossers, tippers, encoders, inserters, imprinters, thermal printers, card counters and much more.

**9000 Complete Systems**

**PES** offers a wide range of equipment and services to provide support from a small volume plastic card operation to a large multi-million card production facility.

**Datacard 450**

Our markets are international. **PES** ships daily via FedEx, UPS and common carrier anywhere in the world.
